Abundantly blessed

It was late on Sunday evening when I was leaving Beaufont Healthcare Center after visiting Dr. Andrews. Dr. Jack and John Crank both said the same thing to me that day. They both reflected on the blessings they have had in life. As I was leaving, there was a gentleman sitting outside who said he was sitting there watching the deer over in the woods. He said, "I never used to notice things like that when I was young." With a deep peaceful sigh, he acknowledged the gift of being able to see the beauty that is right in front of us all the time.

Life is fleeting. Loved ones are gone from us before we were ready to say goodbye. Children grow up and go off to their own new ventures, it seems, in the blink of an eye.

Jesus calls us to live abundantly. We shouldn't just get through our days. We are to live them fully - as if this is our first and as if it is our last day.

The problem that seems so insurmountable - give it to God and allow God to fill you with the peace of this moment. God is here. God is with us. We need not fear because we are not alone. Trust that God will give you what you need. God will give you the right words. God will give you the hope, the patience, the strength you need.

Live today mindfully. Live today as the blessing it is. Yes, we have hard things. Yes, we have sorrow, grief and worry to bear, but trust that there is one who will always stand alongside of us. Oh dear friends, see the gift of beauty in the eyes of your family, see the beauty of God's good earth, see the beauty of God alive in you.

Stewardship: Windows of Opportunity to Serve God

Have you ever noticed all the windows at Bon Air Christian Church? We have three stained glass windows in our sanctuary that are a wonderful part of our historic house of worship. We also have several clear glass windows, complete with shutters, to help adjust the amount of sunlight as we worship. The hallway leading down to the Education Wing is bright and airy with all the windows looking out at Bon Air. And in our Fellowship Hall we have lovely touches of stained glass and an inspirational round window above the kitchen door.

The church's windows are a good symbol for how BACC relates to the community. The community can look in through the windows and see a vibrant place of worship, people sharing in fellowship and service. Those inside the church can see the community around us needing the Good News of God's love.

The church is a window to help us see God and the direction he wants us to take. The church is a window to help other people see how God can transform us with his love.

This year's Stewardship Campaign is based on **Windows of Opportunity to Serve God**. The proposed budget will be mailed out to the congregation the week of September 9. The campaign will kick off with a special video on September 15. Commitment Sunday and a brunch for the congregation will take place on October 6. The final budget will go to the church board on October 20. The final, approved budget will be mailed out the following week. The BACC congregational meeting is scheduled for November 3.

As we enter this process please give thoughtful and prayerful consideration to how we can support Windows of Opportunity to Serve God.

Vacation Bible School

Bon Air Christian Church just wrapped up a fabulous week of Vacation Bible School. The theme for this year's VBS was "Who Is My Neighbor?" – Learning to Love Like Jesus. We had a total of 56 kids registered, and the church was buzzing with activity!

It was great to welcome so many kids into the church and welcome them like neighbors. Each morning, we started with worship. We greeted one another like neighbors with a high-five, fist bump or introduction, challenged the kids to sit next to someone new each day, we watched a skit and then the children learned Bible verses and a "theme" for every day.

The themes that they learned, they carried with them through-out the week. The themes were "Love God," "Love your Neighbor," "Live Peacefully," "Include Everyone," and "Share with Others." Such simple themes that the kids grasped, understood and acted out. It was truly a magical week!

In a hurting world, let us remember to share the greatest commandment of all with our young disciples – "Jesus answered, "The most important is, 'Hear, O Israel: The Lord our God, the Lord is one. And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. 'The second is this: 'You shall love your neighbor as yourself.' There is no other commandment greater than these." Mark 12: 29-31

A HUGE shout-out & thanks to all the wonderful volunteers that made this week so successful. Special thanks to the TEACHERS — Arlene Giffel, Laura Hollis, Christie MacAuley, Ellen Moon, Hannah Moon & Lena Neal.

You all are such a blessing!

BACC HOSTS CARITAS - SEPTEMBER 21-28

The CARITAS program for single women will be at BACC September 21-28. We will provide breakfast, a bag lunch, a hot dinner, laundry, showers and a safe place to spend the night for about 30 women. There are many tasks involved in helping our sisters in need for this week. We are still in need for people to help with shower transportation (our in-house shower cannot accommodate that many people in one day), providing breakfast foods, preparing bag lunches and spending the night at church. If you can help out with any of these, please sign-up on the chart outside the office or online here.

We can also use gently used bath towels. We have plenty of hand towels and washcloths but are in need of additional bath towels.

If you have questions please contact Shea Hollifield, sheahollifield@comcast.net or 804-433-7883. Your help with this ministry serving our homeless sisters in Christ is greatly appreciated.

CROP WALK

Mark your calendar - 2019 CROP Walk will be taking place Sunday, October 20th.

This year marks the 50th Anniversary of the CROP Walk and we are setting the goal to have 50 WALKERS from BACC! Let's make this our biggest year ever! Wouldn't it be great if all 50 walkers could raise \$50 each? Everyone is welcome to participate.

50 years of walking. 50 years of ending hunger together. Join this legacy to step out for the next generation.

"But when you give a feast, invite the poor, the crippled, the lame, the blind, and you will be blessed, because they cannot repay you. For you will be repaid at the resurrection of the just."

ANNUAL BAGPIPE CONCERT

We need your help.

The 19th annual bagpipe concert will be on **Saturday, October 12, 2019,** from 8:00 - 9:00p.m. with a reception immediately following.

This is one of the largest events our church holds and continues to draw countless people from the public to Bon Air Christian Church. Greeting and seating such a large crowd is challenging. Steve & Karen Kline have faithfully helped over the years, but we need more help.

Many of you have helped Susan in the kitchen and in setting up food for the feast which follows the concert, and we need that again. One of the most important tasks is clean up after the concert and packing dishes, loading the truck, etc. Please contact Bud Deihl if you can help. We greatly appreciate the opportunity to present this concert gift to the public and all of the help that everyone provides. We look forward to making music and eating good food with you on October 12, 2019.

Thanks.

2019 RECONCILIATION SPECIAL OFFERING

September 29th & October 6th

The Reconciliation Special Offering is used to fund our Church's mission imperative to become a proreconciling and anti-racist church utilizing experiential education, inclusive worship and intentional dialogue. Our efforts to promote healing, relationship and restoration in the whole family of God are enlivened by funds from this offering. Through it, we are able to provide programs for leadership development, curriculum for dialogue and learning, and partnerships within the Church and our communities.

Recent events have reignited the conversation about human brokenness evidenced in the sin of racism and perpetuated in our institutional structures and systems. Your generous giving to Reconciliation Ministry is transforming lives and strengthening Christ's witness in the world showing that we love one another, even as Christ continues to love us!

CRAIG SPRINGS FAMILY RETREAT RECAP

2019 Family Camp at Craig Springs was a great success! For those of you who are not in the know... Family Camp is for ages Infant to Infinity, so it is one of the most unique camps that is held during the summer at Craig Springs. We had 62 campers, 19 of which were kids ages 2-14 and campers up to 80+ years old. The Triple Camps this summer averaged around 85 camper's so Family Camp is growing to be one of the larger camps during the summer schedule.

BACC was well represented at Family Camp with 7 church members attending for the long weekend. I returned as the director of Family Camp for the 3rd year, and I was joined by Kevin Heath, Jasmine Heath, Andee Kirk, Jean Turlington, Sara Reese, and Tom Snodgrass. Andee was a first time Craig Springs camper although she has been before to drop off/pick up her boys. Our Newest and Never Before Been to Craig Springs campers were Sara Reese & Tom Snodgrass, we are hoping that they want to come back to camp again next summer! I would like to give Andee and Jasmine huge shout outs for their parts in making Family Camp such a success!

At Family Camp we were treated to awesome worship lessons by Rev Michael Stump of Doe Run Christian Church. Ruth Ann Manning Hannah was the assistant director and she led us in music for both worship and silly fun! Jasmine also helped to lead music, she gave a fantastic keynote talk on her experience as a Disciples Peace Intern last summer which fit in nicely with this year's theme of "Peace". Andee was invaluable as my craft person this year while she helped the campers make Hand Clay Doves and Paper Plate Doves to symbolize Peace. And to round out our staff was Mark Hodges as our camp nurse for the weekend. We would not have the success we do for Family Camp without any of these awesome wonderful Craig Springs people!

Whether you are single, a couple, you have children or grandchildren. Whether you have been to camp before or not... ALL ARE WELCOME! Don't you want to be a Family Camper? We hope to see you at Family Camp in 2020! ~Anne Heath

Women and Men's Fellowship Groups

CMF

The heat of summer will soon pass. We have enjoyed many opportunities for men's fellowship. So far this year we have golfed together, fished for bass and crappie, watched the stock car races at Southside Speedway, supported Vacation Bible School and sampled the fare at several local restaurants.

As we head into the fall, the BACC Men will continue to gather for feast and fellowship. The tradition is to meet at a restaurant the third Wednesday each month at 6:00 PM. On **September 18th,** we will gather at Capital Ale House, 13831 Village Place Dr, Midlothian, VA 23114. Please join us.

September brings a new opportunity for the BACC men to support our church mission. We will provide the evening meal to our CARITAS guests on **Saturday, September 21st**. This is the first evening meal our guests will eat while in our care.

Still in the planning stage to schedule is a 7-week Bible Study sponsored by the Christian Men's Fellowship. Participation in the study will be open to all adults.

If you have an interest in joining in any CMF event or want to know more, contact Tom Snodgrass at 804-370-5279 or email tesnodgras@aol.com.

CWF

CWF is starting back up for the 2019-2020 school year. *The Evening Group meets on the 1st Thursday of the month at 7:00 pm* at various members' homes. The September meeting will be at Mary Ann Casdia's home on September 5th. We will meet at O'Charleys on Hull at 5:00 pm for dinner together beforehand.

The Day group meets on the 2nd Tuesday of the month at 10:30 am in the multipurpose room at church. The first meeting will be September 10, 2019.

The Salad Group meets on the 2nd Wednesday of the month at 6:30 pm in the Fellowship Hall. The first meeting will be September 11, 2019. Bring something for the salad. Remember our Fall Fundraiser (the fabulous Chili-Cookoff) is on November 23, 2019. Think about what you might like to donate to the silent auction.

I hope all the women of BACC will be able to join one of the CWF groups this year. It is a great way to get to know the women of the Church better. We always have a great time. Food, fun, fellowship, Bible study, and service. See you soon.

Thank You!

Thank you to my church family at Bon Air Christian Church for your kind and loving support to me and my family upon the passing of my mother, Joyce Burton. My mom was an elder and lifelong member of her church, but I am so glad for the times she let me bring her to worship and fellowship with us. I was able to bring her to Casual Service for what turned out to be her last church service she would ever attend. I am grateful that she also got to enjoy our Hanging of the Greens Service and the Valentine's Dinner. I know that my mom felt welcomed and could see how special our church family is. I am grateful that God allowed me to share these treasured times at Bon Air with my mom.

Please know that I sincerely appreciate the outpouring of care and concern, the many cards, gifts of food, phone calls, and all that you did to try to help us during this time of grief and loss. I am truly blessed by each of you.

~ In the light and love of Christ, Jackie Nilles

A giant THANK YOU and shout out to Bryahna Mooney for finishing our painting for the BACC Christmount rocking chair. The youth painted a rocking chair on our Mission Trip this summer and this painted board by Bryahna will be mounted on the back of the rocking chair for all to see, admire and enjoy.

The rocking chairs from different groups are located on the second floor deck of the main guest house. The BACC rocking chair is going to be the best one there! The painting is absolutely beautiful!
