Risen in You

It's in the books - our first outdoor Easter service! Thank you to all who helped us celebrate the Day of Resurrection on a perfect Easter morning. Thank you, chairs and plant schleppers, thank you to Jon Ver Beek for all his hard work in coordinating the sound system, and to our amazing musicians and soloists. It was so wonderful to see BACC friends LIVE AND IN PERSON.

And we also managed to have our first baptisms since covid began. We are so thankful for the opportunity to celebrate the proclamation of faith and to be part of Craig, Mia, Tripp, Taylor and Angel's journey of faith. We thank their mentors.

I think about the Jewish service the Passover Haggadah and the question is asked, "what do these things mean?"

What does it mean to you that our Lord Jesus came, loved, taught, was crucified, died and was buried and by God's power rose again to New Life? What does it mean to you that you have received Christ into your life, been buried in the waters of baptism, and been given the promise of New Life?

Does it make a difference? Can anyone tell by looking at your life that Christ lives in you? Let us love one another and may God's love shine in and through you every day.

*With love and prayers,
Cindy*

Well Done, Good and Faithful Servants!

Rejoice! Rejoice!

The Reverend David Finnegan-Hosey has accepted our call to become a co-minister of Bon Air Christian Church.

For more than a year and a half, our Search Committee engaged in an exhaustive (and exhausting) search for a co-minister, and on April 9 the BACC congregation voted to extend a call to David. We are thrilled and excited that the Lord led David to us and us to him. David, his wife Leigh, who is also ordained in the Christian Church (Disciples of Christ), and their five-month-old daughter, Laila, will officially join us in June.

David is currently completing the school year at Barton College in Wilson, North Carolina where he serves as Chaplain. He previously ministered in a variety of campus, congregational, non-profit, and hospital settings. He is a 2015 graduate of Wesley Theological Seminary in Washington, DC and was ordained at First Christian Church (Disciples of Christ) of Wilson in August 2020. In addition to his M.Div., David completed a unit of Clinical Pastoral Education at the National Institutes of Health Clinical Center in Bethesda, MD. David is also an author and mental health advocate, sharing from his own journey of mental health challenges, recovery, and faith. He is certified in Mental Health First Aid and has published two books, *Christ on the Psych Ward* and *Grace is a Pre-Existing Condition: Faith, Systems, and Mental Healthcare*.

With great joy and Christian love, we welcome David, Leigh, Laila and their dog, Penny Lane, to Bon Air Christian Church. Many thanks to the search committee who logged in many hours, read a lot of relocation papers, prayed abundantly, and took their time to get to know a lot of ministers. The committee worked diligently and prayerfully.

Our wonderful Youth Group volunteered at **Shalom Farms** on April 3rd and they will be there again on May 8th.

COUNT YOUR BLESSINGS

A king and his chief administrator, who was his best friend, went hunting. During the trip, the king falls off his horse and loses a toe. The chief administrator says, "This is good." The king throws him in jail. The chief administrator says, "This is good." Later, the king goes hunting by himself. He is captured by cannibals and is to be the main course of their next meal. Just as they were about to lower him into the pot of boiling water, they notice the missing toe. They cannot eat him because he is blemished, so they release him. The king lets the chief administrator out of jail, because it was good that he lost a toe. He asked the chief administrator why he said it was good when he was thrown in jail. He replied, "If I was not in jail I would have been on the hunting trip with you, and I have all my toes!"

This story makes us aware that we don't always recognize the blessings we have. During the Covid pandemic, we have focused on the negatives. We have forgotten that blessings still abound. One of the wonderful blessings we have is the Church, both the universal church and Bon Air Christian Church. While we have isolated ourselves and focused on all that is wrong, our church has been alive and well and very active. The electricity and water have been on. (The toilets still flush and we do have toilet paper!) The heat and air conditioning still run. The staff has been on-site and working tirelessly to keep the office running smoothly. Cindy, with help from others, has gone over and beyond normal ministerial duties to make sure that we are still able to worship in some form on Saturday night and Sunday morning. Our committees have done their jobs, our musicians have enhanced our worship experience, our youth have been active in many ways, and many members have reached out to others with an encouraging word, a meal, or a prayer.

Won't you take the time to think of all the many, many blessings you have, thank God for them. Our next special offering is Pentecost, which celebrates the birth of the Church. What better way to celebrate Bon Air Christian Church than to say to it, "We love you and we will support you." Thank you from a fellow traveler on this wonderful journey we call life.

Your support truly makes a difference in the lives of children and families all over the world. CHURCH IN COMMUNITY

We hosted another successful blood drive with the American Red Cross here in the Fellowship Hall on Tuesday, April 20, and had our first committee meeting on Wednesday, April 28th at 7:00 p.m. If you're interested in working with the Church in Community Committee this year, please contact Emily Atherton or the church office. Habitat for Humanity is in need of help now, both for builds and in their store on Saturdays. If you're available to help, please go to <https://www.richmondhabitat.org> and click on Volunteer or Restore. Individuals or groups can volunteer, and there are multiple ways to serve.

YOGA WITH LINDA

Join us on Wednesday mornings at 11:00 a.m. for Yoga with Linda Verheul via Zoom. Watch for your link in the Wednesday morning email with the Prayer and Fellowship info, and dedicate some enjoyable and well-deserved time to self-care!

CHRISTIAN WOMEN'S FELLOWSHIP

I hope May finds everyone in good health. Traditionally, CWF has their last meeting in May and resuming again in September. Last summer some of the CWFs continued to meet via Zoom over the summer. More on that in June.

Our last meeting will still be by Zoom. Ladies of the Evening will meet on Thursday, May 6th at 7:00 pm., and the Salad Group will meet on Tuesday, May 11th at 7:00 pm. Since most in our groups are getting vaccinated, the Salad Group is starting to have socially distanced in-person meetings to socialize. Both groups are planning retreats in the fall. We continue to support the battered women's shelters and the food pantries. May's lesson comes from the Gospel of John 9:1-38. Hope to see you on Zoom.

WORSHIPPING WITH STEADFAST HEARTS...

Many thanks to all who worked so hard to make the services of Easter week so beautiful and meaningful! The outdoor Easter Day 11:00 service was well attended and very much enjoyed by all. Fortunately, the weather was perfect.

On Mother's Day, May 9th, we will be honoring all of our mothers and ladies with a card and flowers. We have a special gift for our new mothers. We hope you will attend.

The other special service in May is Pentecost, which is on Sunday, May 23rd. Please wear red in celebration of the birth of the church. There will be a reception in the fellowship hall following the service.

We are making plans for Father's Day, on June 20th.

Please mark your calendars for these special upcoming services!

Special Thanks

Beautifying the Church

A special thank you to all of those who do various jobs around the church and the building grounds to keep our space looking lovely, clean and welcoming. Many people help water plants, clean and organize the kitchen, plant flowers, pull weeds, pick up the sanctuary, organize music equipment, etc.

THANK YOU to **Sandy Logan and Laura Hollis** for cleaning out and organizing the kitchen and storage room. It looks fabulous! To **Kitten Whitlow** for planting Easter flowers and cleaning up the grounds and garden regularly. To **Craig Huddle** for cleaning the baptistry and organizing our music storage room. **Doug Collins and Paula Craft** for doing all things as needed for property & worship!

SPECIAL THANKS to **Mia Berkley, Lilly Ver Beek, Nate Parker and Nate's friend Aidan** for helping on BACC Work Day. They cleaned and organized the front storage cabinets, cleaned and mopped the fellowship hall, disinfected and organized the nursery, cleaned the deck furniture and put together a new swing for the teen hangout area on the playground. *Everything is looking beautiful for the spring time!*

There are more projects on the list we didn't get to, so if you have a couple of free hours and want to volunteer, come see us! Many hands make for light work.

WELCOME, CRAIG HUDDLE!

Wait a minute--doesn't that guy look familiar? It's hard to tell with a mask on! Yes, that is indeed Craig Huddle, who worshipped with us back when the boys were little guys, and great news--he's back!! Once a student of Rehabilitation Counseling at VCU, and a veteran after serving in the U.S Navy for six years, Craig is now semi-retired, and does a good bit of volunteer work, much of which is for FeedMore, and he would like to get more involved here at church. Craig enjoys walking, reading, and watching movies. He also is active in community theatre, especially during non-pandemic times, and did four plays in 2019. Craig's older son Jefferson is now 19, and finishing up his freshman year at Old Dominion with a major in journalism. Josh, now 16, is finishing 10th grade at Midlothian High. He enjoys playing guitar, and both of the boys enjoy skateboarding. Please give Craig a warm welcome back when you see him! He especially enjoys our Saturday evening service.

He has rescued us from the power of darkness and transferred us into the kingdom of his beloved Son, in whom we have redemption, the forgiveness of sins.

Colossians 1:13-14

Thank You

Thank you, Arlene Giffel and Laura Hollis, for your dedication to BACC by faithfully counting and depositing our offering for every service during the Coronavirus shut down. Your willingness to dedicate your time and resources is greatly appreciated. We are grateful for and humbled by your efforts, and we want you to know that your work has not gone unnoticed!

Bon Air Christian Church -

We could not be more grateful for your commitment to Christmount and the way your gifts are making a difference in the hearts and lives of the many folks who come to Christmount every year. Your support encourages creative community through our partnerships with Bounty & Soul and the Food Connection; helps campers with autism find acceptance at Camp Lakey Gap, and brings about a sense of purpose for summer staff as they discover meaningful career field opportunities. We are also excited about our plans and programs coming this summer. Your gifts are also helping us launch Fern Way Farm School – programs including land-based workshops and seminars, college internships, PreK-12 school year field trips, and summer camps. We will also be offering Christmount Family Camp this summer, so please make plans to join us onsite for that week if you are able. Family Camp is for parents, kids, grandparents, cousins – really anyone you consider “family!” Check out those programs and more at www.christmount.org. With your help, Christmount is continuing to make a difference in our world today. Perhaps now, more than ever, your gifts are impacting our community in surprising and amazing ways. With nearly 75 years of rich history, your gift is ensuring another 75 more!

With Gratitude,
Rob

*Give thanks to the Lord, for He is good; His love endures forever.
Psalm 118:1*

Thank You

I reach out to my BACC family to simply thank you for the various ways you have reached out to me during this past year of "lockdown." I have been lifted by the Angel, (Suzanne) who has driven out here in Goochland, to leave a bag of special treats and a few minutes of chit chat (while socially distanced), which was also a treat. I thank you for all the phone calls, personal notes and cards, including some which were handcrafted by young children and youth - all much appreciated. In December, the nativity scene outside was beautiful. The drama and talent our youth contributed was a warmth to my spirit and soul. The same goes for their Youth Sunday Program. Keep on with all the good Christian work you are doing and hold on to these values always. Sunday zoom service takes me away from a clamoring world of unrest and no news is good and brings me to this beautiful old sanctuary where I see familiar faces. I hear good news and I feel safe and comforted. A huge thanks to all who make it happen, especially Cindy, who delivers that good news. Gracious God, thank you for your blessings as you lead us through troubled times.

Love, Alma Spivey

Dear Friends of LTS at Bon Air Christian Church,
The Lexington Seminary community is blessed by your generosity and kindness. We thank you for valuing the work of the Seminary and joining with us in preparing men and women for service in Christ's church. When students reflect upon their opportunity to attend LTS, words can't describe how enthusiastic and appreciative they are to be in the Seminary's Master of Divinity program. If they could speak to you face-to-face, they would thank you for helping make their seminary education possible. So, on their behalf, thank for your partnership and gift of \$1,400.00. The LTS community is grateful for its partnership in bringing theological education to our church's many congregations.

Sincerely yours,

Hello to everyone,

Thank you for the wonderful Easter Basket (Box) I received in the mail. It is raining and storming here today, and I didn't open it until now because I knew it would be a gloomy day. I appreciate the hard work you do and the thoughtfulness you convey. I am looking forward to Easter, which will be all the more special with these reminders you've sent of Christ's love.

Y'all are awesome,

Dear Friends, Thank you for your gift of \$500.00 on February 1, 2021 to the Micah Program of Richmond Hill. The Micah Program gives underserved youngsters a chance for a better life. Thank you for this support! Your generosity gives life to our ministry and our mission — to seek God's healing in metropolitan Richmond. We invite you to join us in work and prayer for our city in the way that feels appropriate for you. The Richmond Hill rhythm of prayer is printed in our monthly Update newsletter and our Tuesday worship service goes public weekly at 5:30 p.m. on the Richmond Hill Facebook page. Thank you for stewarding this monastery and this ministry with us. We are so grateful that you are a part of the Richmond Hill community. Blessings, Cathy Woodson, Council President.
