## CLASSES FOR ADULTS

### THE PARLOR CLASS

#### **Teachers: Steve Craft, Danny Simmons, John Crank and Paula Scott**

This class uses "The Present Word" which is a Bible-based study series. Come and join this class in the church's parlor, located in the church office wing.

### THE FELLOWSHIP CLASS

#### **Teacher: Kitten Willow**

You are invited to join a diverse group of individuals and couples who come together to study the Bible. We decide which book of the Bible we want to explore, and then read and discuss the scripture. Sometimes we cover an entire chapter in one class; other times we get through only a few verses. We have no timetable and no need to finish a book of the Bible by a certain deadline. In other words, we just go with the flow. The Fellowship Class meets in the new Christian Education Wing.

### THE SOJOURNERS CLASS

#### **Teachers: Cathy Law, Sara Reese and Susan Deihl**

The atmosphere of this class is non-threatening, non-judgmental—a feeling of love and respect for each participant's questions or expressed beliefs prevails. Our approach to study is both scholarly and participatory. Prior to starting a unit, leaders review one or more study guides and share them with the class. After a particular study guide is selected through a group decision, members are given an opportunity to purchase their personal copy. This class meets in the new Christian Education Wing.
